### **ORDER:**

The Government of Tamil Nadu has been taking several proactive initiatives to combat the COVID-19 Pandemic. The second wave of COVID-19 has created a severe shortage of medical oxygen that is vital for the treatment of critically ill positive persons. Expert opinion indicate the possibility of a third wave in the near future. It is imperative that the State should ramp up its installed capacity for production of oxygen and equipment needed for its supply to patients, so that there will be less need to depend on external assistance. It is considered that investors can be encouraged to invest in oxygen augmenting facilities by special package of incentives.

2. After considering the importance of the investment in oxygen augmenting facilities, the Government sanction the following special package of incentives to promote investment in oxygen augmenting facilities such as oxygen concentrators, oxygen cylinders, medical oxygen and large liquid oxygen plants in Tamil Nadu:

- i. Investors who can establish manufacturing facility and commence commercial production of oxygen concentrators, oxygen cylinders and medical oxygen in Tamil Nadu shall be given a capital subsidy of 30% of their investments. Commercial Production must commence not later than August 15, 2021 and the investment made during the period from January 1, 2021 to August 31, 2021 will be considered for capital subsidy. Such capital subsidy shall be paid in two equal annual instalments.
- ii. Investors who can establish a large liquid oxygen plant with minimum capacity of 10 MT/day shall be given a capital subsidy of 30% over 5 years if they can commence commercial production on or before November 30, 2021. Their investment made between January 01, 2021 and November 30, 2021 will be considered.

- iii. The expansion project of existing units will also be eligible for capital subsidy.
- iv. SIPCOT/SIDCO will allot land to such units on priority basis.
- v. TIIC will provide immediate loans to such units with an interest subsidy of 6% per annum.
- vi. Guidance will provide single window clearance to the investors, free of cost.
- vii. This special package will be implemented by SIPCOT for large Industries and IC&DIC for MS&ME.
