Guidance Manual Admin Login

This is to inform that the module for the registration of manufacturers, sellers, importers of plastic raw materials and producers in micro and small-category, is operational w.e.f December 04, 2024. All concerned entities are requested to submit their applications for registration under the EPR Plastic Portal. It may please be noted that the relevant section for registration has been included in the guidance manual uploaded on the EPR Portal.

1. This is to inform that timeline for filing of Annual Return (AR) by registered PIBOs and PWPs for FY 2024-25 has been extended till 30th November 2025. All concerned users are requested to file their AR within the stipulated timeline. 2. Pro

EPR Portal for Plastic Packaging

Extended Producers Responsibility (EPR) regime is under implementation in Plastic Waste Management Rules, 2016, according to which it is the responsibility of Producers, Importers and Brand-owners to ensure processing of their plastic packaging waste through recycling, re-use or end of life disposal (such as co-processing/Waste-to-energy/Plasticoil/roadmaking/industrial-composting). In order to streamline implementation process of EPR, the Ministry of Environment, Forest and Climate Change, Government of India, in its fourth Amendment to the Plastic Waste Management Rules, dated February 16, 2022, notified 'Guidelines on Extended Producer Responsibility for Plastic Packaging' in the Schedule II of the Rules. As per these guidelines, Producers, Importers and Brand Owners (PIBOs) shall have to register through the online centralized portal developed by the Central Pollution Control Board (CPCB). Accordingly, this portal has been developed to register PIBOs who are operating in more than two States with CPCB and those operating in one or two States/UTs shall be registered with the concerned State Pollution Control Boards (SPCBs). PWPs shall also have to register with the concerned SPCB/PCC in accordance with the provisions of the Section 13(3) of the Plastic Waste Management Rules, 2016 on this centralized portal developed by CPCB. The EPR Portal provides provision for registration of PIBOs/ PWPs in accordance with the notified EPR Guidelines. The portal will help in improving accountability, traceability and transparency of fulfilment of EPR Obligations. The portal is planned to have monitoring of transactions between PIBOs and PWPs, allows levy of environmental compensation and provides system generated and facilitates filing of annual returns for the stakeholders. Presently three modules of EPR portal "Registration of PIBOs", "Registration of PWPs" and "Generation & Transfer of EPR Certificates" are operational. The remaining modules shall be operational shortly.
