

Office Order

F.14/(5)Admn/RSPCB/Plg/

Date:

In partial modification of Office Order No. F.11(567)/RSPCB/Lab/2306 dated 22/01/2019, the State Board hereby includes **Refuse Derived Fuel (RDF)** as an "Approved Fuel" under serial number 16, subject to the following technical and regulatory conditions:

- The boiler must be above 8 TPH capacity.
- The boiler should be multi fuel/ designed for RDF use.
- RDF shall meet the parameters prescribed under Schedule-II of Solid Waste Management Rules, 2016 for processing and treatment of solid waste.
- All the facilities in boiler shall be designed to achieve a minimum temperature of 950°C.
- Suitably designed pollution control devices shall be installed or retrofitted with the boiler to achieve the emission limits.
- The specific order if any of Centre Govt./ State Govt. regarding fuel for specific area/sector will prevail over this order.
- Any specific directions by Commissions of Air Quality Management in Capital Region and adjoining areas or in CEPI Guidelines will prevail over this order.
