CIRCULAR

Sub: Online Module for filling permission of non-refillable gas cylinders meant for export purpose under Gas Cylinders Rules, 2016 – reg.

It is informed that PESO online Filling permission module has modified to facilitate generation of filling permissions under rule 3 of Gas Cylinders Rules, 2016 for filling single gas in non-refillable gas cylinders which are filled in India for export purpose.

Stakeholders, who have obtained online design drawing approval for non-refillable cylinder, can apply for online filling permissions for non-refillable through the online module along with requisite documents for filling single gas for export purpose. Help operational guidelines for online paperless application is attached herewith.

Encl: As above.

Process Flow for Filling Permission

Description Step 1) you need to visit our website <http://peso.gov.in/index.aspx> where you will get option for **Petroleum/Gas Cylinders Rules Application Login**

The screenshot shows the homepage of the Petroleum and Explosives Safety Organisation (PESO). The header includes the PESO logo and the text 'पेट्रोलियम तथा विस्फोटक सुरक्षा संगठन' and 'Petroleum and Explosives Safety Organisation'. Below the header, there is a navigation menu with links such as 'Public Grievance Portal', 'Public Domain', and 'Explosives Returns Links'. A red arrow points from the text in the description to the 'Petroleum / Gas Cylinders Rules Application Login' link in the right-hand sidebar. The sidebar also contains other links like 'Competent Person Login' and 'PESO Users (GFC)'. The main content area features a 'Draft Notifications' section, a 'PESO' section with a list of activities, and an 'All a Glance' section with various regulatory links.
