No. MPCB/TB/INV-3/2016/2026-2027/

Dated: June, 2026

PUBLIC NOTICE

Invitation of proposals from industrial units for incentives due to better environmental performance

In pursuance of the Board's Notification No. MPCB/TB/INV-3/2016/2025-2026/86, dated 20th June, 2025, a **State Level Committee** has been constituted under the chairmanship of the Member Secretary, Meghalaya State Pollution Control Board (MSPCB), to evaluate applications from industrial units that have adopted measures resulting in better environmental performance and reduction in Pollution Index (PI) score.

All eligible industrial units located in Meghalaya are hereby invited to submit their formal proposals to the Board for consideration of incentives under the new categorization scheme (Red, Orange, Green, White & Blue categories).

Interested industrial units fulfilling the following eligibility criteria may submit their formal proposal along with all supporting documents (audit report, logbooks, bills, consents, etc.) to the office of the Meghalaya State Pollution Control Board located at 'ARDEN' Lumpynggad, Shillong-793014 for consideration:

- i. The unit should have completed at least one year of completion of production/operations with demonstrated, verifiable steps and submitted audit report from institute of repute for considering the unit for the purpose by MSPCB. To facilitate verification, the unit must have properly maintained logbooks/bills for production, electricity consumption, fuel, water consumption, wastewater treatment and use of treated wastewater.
- ii. The unit should be located in conforming area with applicable Environment Clearance (EC), Consent to Establish (CTE) and Consent to Operate (CTO) and hazardous/bio medical waste authorization from MSPCB.
- iii. Unit should comply with all the norms/conditions stipulated under EC, CTO and Guidelines/Rules issued by CPCB.
- iv. In case, unit using ground water resource, it should have valid permission/NOC and also required to install electronic flow meter.
- v. No penalty or legal obligation is imposed/pending against unit for violation of environmental norms. Records for last 5 years may be verified. In case establishment period of the unit is less than 5 years, the past records since the start of production will be verified.
- vi. Unit should not be involved in any sort of accident/incident resulting into emission /discharge into the environment. Records for last 5 years will be verified.

Proposals can be submitted **throughout the year**. The Board will place a separate list of incentivized units on its website and submit an annual list to CPCB by **30th June** of every year. For any clarification, industrial units may contact the office of the undersigned during working hours.

(Dr. G.H. CHYRMANG, MFS)
MEMBER SECRETARY
Meghalaya State Pollution Control Board,
Shillong.
